## WHEN TO USE THIS PACKET

Use this packet if you are **not married to the other parent of your child and if you want to:**

The forms in this packet can be used to open a case between you and the other parent. Opening the case is the first step in establishing paternity or obtaining orders for custody, visitation and support.

The other steps are as follows:

**NOTICE: If you have a child from this relationship, the court is required to order child support based upon the income of both parents. Support normally continues until the child is 18. You should supply the court with information about your finances. Otherwise, the child support order will be based upon information supplied by the other parent. Any party required to pay child support must pay interest on overdue amounts at the "legal" rate, which is currently 10 percent.**
